

Alexander Hissting

Alexander Hissting is a trained farmer and agricultural engineer and is engaged in the issue of genetic engineering in agriculture and food production for more than 20 years. As a campaigner for Greenpeace Germany he was among other things responsible for the dialogue with the food industry on genetic engineering. Since 2010 he is partner in the Berlin consultancy grüneköpfe Strategieberatung and Managing Director of the German trade association Verband Lebensmittel ohne Gentechnik (VLOG) – *Association Food without Genetic Engineering*.
