TRAINEE - SOCIAL MEDIA COORDINATOR/CONTENT CREATOR TRAINEE - SOCIAL MEDIA VIDEOGRAPHER TRAINEE - SOCIAL MEDIA GRAPHIC DESIGNER

About us

The [Group of the European People's Party \(EPP Group\)](#) is the largest political group in the European Parliament. It brings together centre and centre-right pro-European political forces from the Member States of the EU, coming together to advance the goal of a more competitive and democratic Europe, closer to its citizens, and a social market economy. Its multinational Secretariat provides political, administrative and technical support to its MEPs.

What we offer?

The EPP Group's traineeship programme offers an excellent opportunity for university graduates and undergraduate students to gain experience and practical knowledge of working in an international, multilingual and multi-cultural environment of the EPP Group and the European Parliament.

We offer 5 months full-time (40hrs/week) paid traineeships for graduates in our Secretariat in Brussels (Belgium) in one of the following profiles:

- **Social Media Trainee - Content Creator**
- **Social Media Trainee - Videographer**
- **Social Media Trainee - Graphic Designer**

All these roles sit at the heart of the social media team and provide a unique opportunity to work on exciting political communications tasks

Compensation and Benefits

- monthly allowance of 1.500 EUR to cover living costs in Brussels;
- reimbursement of mission costs (travel and accommodation) to attend one plenary session of the European Parliament in Strasbourg;
- a sickness and accident insurance.

When?

Approximate timetable

Spring Traineeship starting in February:

Deadline for the applications - 15 November 2024, 12:00 CET.

What will you do?

This traineeship is an opportunity to obtain a unique experience in the Campaigns Directorate by assisting the Group's Social Media Team in their everyday job and, therefore, a remarkable opportunity to work in a very dynamic, political and international environment.

The [Social Media Coordinator/Content Creator Trainee](#) will carry out following tasks:

- Attend and help with the organization of meetings and various events;
- Draft notes, reports, and other documents;
- Support social media content creators in day-to-day tasks, such as: research, drafting social media content, and coordinating creative production, arranging interviews with MEPs, and preparing weekly newsletters;
- Monitor social media accounts; support online community management;
- Prepare analytical reports on social media performance.

A successful candidate will have a passion for online communications, have attention to detail, have a curious mind, hopefully, some interest in analytics, be willing to learn and work in the team, and contribute to developing content that makes an impact.

The [Social Media Videographer Trainee](#) will carry out following tasks:

- Support social media videographers in their day to day tasks in developing and editing videos based on the approved scripts;
- Edit different types of videos - from putting subtitles to Plenary speech to editing videos;
- Support in filming short videos for online content (e.g. Instagram stories, reels);
- Participate in brainstorming and suggest new creative ideas for video material;

A successful candidate will be passionate about online communications and video production/editing work. The successful candidate must demonstrate good knowledge of Adobe Premiere (editing, subtitling, basic sound mixing), basic knowledge of After effects (working with pre-rendered templates) and basic knowledge of Photoshop. Also, the candidate will show the ability to work individually as well as in a team. We value creativity but also attention to detail and swift delivery times.

The [Social Media Graphic Designer Trainee](#) will carry out the following tasks:

- Support graphic designers in their day to day tasks in developing graphic design for online and offline products;
- Participate in brainstorming and suggest new creative ideas for graphic design;
- Support graphic designers and social media content creators in other creative and organisational tasks as required;

A successful candidate will have Adobe Illustrator and Adobe Photoshop skills, and preferably will have some knowledge of InDesign. The candidate will show the ability to work individually as well as in a team. We value creativity but also attention to detail and swift delivery times.
